Agenda Caption: Consider and act upon adoption of a Resolution setting Public Hearings on a proposed involuntary annexation of 1.5+ acres in the John W. Cox Survey, Abstract No. 159, Collin County, Texas, generally located on the north side of CR 23 north of Panther Creek Parkway. Neighborhood #4. Annexation Case A08-0004. (Planning & Development Services)

Action Requested: City Council adoption of a Resolution calling for public hearings on the proposed involuntary annexation for Tuesday, February 17, 2009 and Tuesday, March 3, 2009.

Background Information: This is an involuntary annexation case submitted by the City of Frisco. This is one of three requested involuntary annexations that are being requested. The three properties are in the same location. The purpose for initiating the involuntary annexation is to insure that future development would comply with the City's development standards and ordinances. The property is directly adjacent to the City's corporate limits on the south, west, and north and is within the designated extraterritorial jurisdiction of the City of Frisco.

Board Review/Citizen Input: Notices of intent to annex have been sent to the property owner. An additional notice will be sent with the public hearing dates.

Alternatives: The City Council could choose not to adopt the Resolution, therefore not initiating the annexation process.

Financial Considerations: Not applicable.

Legal Review: The City Attorney's Office will prepare the annexation ordinance if that is the City Council's direction.
